NATIONAL COMMITTEE TO SECURE JUSTICE  
IN THE ROSENBERG CASE  
INTERNAL SECURITY - C

Attention: CENTRAL RESEARCH DESK

RECEIVED 1/25/52, 10 Bureau and New York, captioned as above.  
DOMESTIC ADMINISTRATION ISSUES - INTERNAL SECURITY - C

On 1/23/52 an anonymous source, of known reliability, furnished the Philadelphia Office with a copy of the pamphlet "To Secure Justice in the Rosenberg Case," by WILLIAM A. REUBEN. The pamphlet indicates it was published under the sponsorship of the "National Committee to Secure Justice in the Rosenberg Case," 246 Fifth Avenue, New York City, N.Y. The last page of the pamphlet includes a form soliciting and offering copies of all materials issued by the committee.

Also furnished with this pamphlet was a mimeographed letter dated 1/8/52. This letter bore heading "52nd Ward, Progressive Party, Philadelphia," and is signed fraternally A. EGNAL. This letter solicits volunteers to "join us in the fight to secure justice in the Rosenberg Case," "calling us or writing us," and requests that readers "send us your contributions," and "raise more funds from your friends and neighbors."

In view of the foregoing, it is considered that the Progressive Party of Pennsylvania was actively engaged in distributing the aforementioned pamphlet and raising funds to support the Rosenberg appeal to the Federal District Court.

Enclosed herewith are two photostatic copies of the pamphlet and letter for the Bureau and one copy each for New York for information purposes.

Philadelphia copies of this item are being retained as exhibits to File 100-37667.

NATIONAL COMMITTEE TO SECURE  
JUSTICE IN THE ROSENBERG CASE  
IS-C

Reference is made to the report of ~~XXXXXXXXXXXXXXXXXXXX~~  
dated MAR 7, 1952 at New York, in captioned matter, six copies of which  
are enclosed herewith.

This investigation has been opened by direction of the  
Bureau by letter dated 1/15/52. The investigation in this case  
should follow in line with Bureau instructions previously issued in  
the case of the newsletter, "Let's - Internal Security".

For some time prior to the receipt of Bureau letter of  
1/15/52, the confidential security informants of the New York Office  
have been instructed to report any information concerning Communist  
support or direction or control of the National Committee to Secure  
Justice in the Rosenberg Case. To date, none of these informants  
has reported any information which indicates that the Communist  
Party is directly interested in this Committee.

In view of the information received from NY-426-S, it is  
not known, nor can it be determined, whether the material made  
available by this informant was prepared by the Communist Party,  
the "Daily Worker", the "Morning Freiheit", or whether the same was  
made available to the "Daily Worker" by the instant Committee itself.  
No specific lead is being set forth herein, but it is requested that  
all offices determine through their confidential security informants  
and report whether there is any indication that the Communist Party  
is actively engaged in directing, sponsoring or controlling instant  
Committee.

It is requested that all offices report any such direction  
or control by the Communist Party, both in the case captioned  
"JULIUS ROSENBERG, ESPIONAGE-R", under a suitable heading, and also  
report such direction or control in instant case.

## U.S. AND CANADIAN ORGANIZATIONS AMONG THOSE CALLING FOR NEW, FAIR TRIAL IN ROSENBERG CASE

Those attending the "Truth in the Rosenberg Case" public meeting on March 12 at Pythian Hall will get a report of the tremendous number of organizations and groups in the U.S. and abroad who have called for a new, fair trial for the Rosenbergs, now in Sing Sing's death-house, and for Morton Sobell, sentenced to 30 years.

Typical of the protests sent to the White House is this one from the Joint Board Fur Dressers & Dyers: "Upholding conviction and death sentence of Julius and Ethel Rosenberg indicates clearly that this is a case of political persecution...Urge you act to revoke death penalty and to insure fair trial..."

The Lakehead Unity Club of the Canadian National Federation of Labor Youth wrote the White House and the Attorney General that: "We unhesitatingly condemn...political persecution, terror and brutality, nowhere perhaps more open or biased than in the shameful sentences imposed...on Ethel and Julius Rosenberg."

The public meeting at Pythian Hall, 135 W 70 St., NYC, will begin at 8 PM, and will hear Rabbi Louis D. Goss, editor of the Jewish Examiner, Mary Van Kleeck,

PRESS RELEASE

MARCH 13, 1952  
FOR IMMEDIATE RELEASE

OVERFLOW ROSENBERG MEETING ASKS PRESIDENT CONSENT TO  
NEW TRIAL. ENDORSES AMICUS TO SUPREME COURT

Close to 2000 New Yorkers, 500 of them addressed in the street because of lack of space, came to Pythian Hall, 135 W. 70 St. on March 12 at 8 PM, for a meeting on "THE TRUTH IN THE ROSENBERG CASE".

The meeting, first large gathering on this issue, and one of scores of large meetings held recently in many parts of the country, was greeted by telegrams of support from a number of cities, unions, prominent individuals and groups in Great Britain, Puerto Rico, Canada, Mexico and other lands.

The meeting unanimously adopted a resolution to President Truman, calling upon him to direct the U.S. Attorney to consent to a new trial for the Rosenbergs and Morton Sobell.

Julius and Ethel Rosenberg, who were convicted on a charge of conspiring to commit espionage and sentenced to death in a trial from which all Jewish jurors had been excluded by the prosecution's challenges, sent a message to the meeting asserting their innocence. It read in part: "Like others we spoke for peace because we did not want our two little sons to live in the shadow of war and death .... That is why we are in the death house today, as a warning to all ordinary men and women like ourselves that there are forces today which hope to silence by death those who speak for peace and democracy." They assured their families, who were in the audience: "You are sitting in the midst of good, honest people. They will do everything in their power to bring us together again and to make this a better and happier world".

The meeting also adopted an Amicus Brief on the behalf of the Rosenbergs, which read in part: "We believe that the trial...lacked guarantees of fairness which all Americans have the right to expect under the Constitution. (We petition) that the verdicts and sentences be set aside, and that a new trial be ordered, based on Constitutional guarantees of impartiality and fairness in accordance with the best traditions of American justice".

The meeting also set March 28 aside as "Rosenberg Day", asking that on the first anniversary of the trial, telegrams, letters and phone calls be made to the White House, in accordance with the resolution sent to the President.

In a speech that brought tears to many of the audience, Mrs. Helen Sobell, wife of Morton Sobell, sentenced to 30 years, told the meeting that at the very time that the chief witness against her husband was planning to give what she called his "lying testimony to save himself from a perjury charge", he was bargaining with her for the purchase of her furniture and children's belongings which she had to sell to raise money for her husband's defense.

Rabbi Louis D. Gross, editor of the Jewish Examiner, sent a message to the meeting in which he voiced his doubts as to the guilt of the Rosenbergs, and commented on Judge Kaufman's having said that he had gone to the synagogue to seek guidance before imposing the death sentence by reminding the Judge that in times past, when the Supreme Court of the Jewish people ( Sanhedrin) had passed a death sentence they were labelled "murderers" by the Rabbis.

Mary Van Kleeck, an outstanding sociologist, warned that the whole system of justice in our country was being destroyed by such trials, in which the social views of defendants became, in the court's opinion, proof of espionage.

William L. Patterson, famous Negro civil rights leader, too ill to attend, sent a message expressing faith that a common effort by the Negro and Jewish people could put an end to the destruction of the lives and properties and liberties of those two minorities. His message was read by Mrs. Bessie Mitchell, sister of

Collins English. one of the two remaining "Trenton Six" defendants still in prison.

B.Z. Goldberg, well known journalist for the Jewish Day, compared the Rosenberg case to that of Dreyfus and Sacco-Vanzetti, and warned that to be silent in this case was to open the door to a Nazi-type assault on the Jews.

Other Speakers were William Reuben, crusading journalist whose articles on the case stirred world wide interest, and Albert Kahn.

Colins English. one of the two remaining "Twelve Six" defendants still in prison.  
B.S. Goldberg, well known journalist for the Jewish Day, compared the Rosenberg  
case to that of Dreyfus and Gaseo-Kennett, and warned that to be silent in this  
case was to open the door to a Nazi-type assault on the Jews.  
Other speakers were William Reuben, circulating journalist whose articles on  
the case stirred world wide interest, and Albert Kahn.

### WOMEN'S INTERNATIONAL ORGANIZATION BACKS NEW ROSENBERG TRIAL IN ORIENTING MARCH 12 MEETING NY

Expressing concern for the children of the Rosenbergs and Morton Sobell, the Women's International Democratic Federation, representing 62 countries, protested the "war hysteria" verdicts and sentences in the now-famous "espionage" trial of last year, and called for a new trial.

Their message was directed to the March 12 "Truth in the Rosenberg Case" public meeting to be held at Pythian Hall, 135 W 70 St., at 8 PM.

Messages of support have been coming in from many parts of the United States and the world because of the taint of unfairness and anti-Semitism that marked the trial.

Among the speakers at the meeting will be Rabbi Louis D. Gross, editor of the Jewish Examiner, Mary Van Kleeck, sociologist, William L. Patterson, civil rights leader, William Reuben, journalist who first broke the Trenton Six case, and Albert Kahn, B.Z. Goldberg, Mrs. Helen Sobell, Rev. Spencer Kennard, and Joseph Brainin.

FOR IMMEDIATE RELEASE

Murray Hill 6-8010  
N. C. Belth, Press Representative

Supreme Court Justice Meier Steinbrink, national chairman of the Anti-Defamation League, today warned against Communist Party propaganda that seeks to create the false illusion that Ethel and Julius Rosenberg, convicted atom spies, were victims of an anti-Semitic frameup and the principals in an "American Dreyfus" case.

"The invention of anti-Semitism where it does not exist," Judge Steinbrink declared, "has long been a Communist Party tactic. Well-meaning citizens with a genuine desire to combat religious bigotry may be misled. But the patent falsity of the Communist propaganda claims should put all Americans on guard against falling into this trap."

The National Committee to Secure Justice in the Rosenberg case, Judge Steinbrink said, has promoted public meetings in New York and Chicago and has made a special effort to hold these meetings in Jewish communal buildings in order to provide a setting for their propaganda line that a Jewish issue is involved. One of the Chicago meetings was scheduled to be held in a temple. This was cancelled after officials of the congregation discussed the problem with ADL and other Jewish agencies. A similar meeting was held in New York City and it is anticipated that there will be further efforts by Communist groups to agitate the Jewish community with other meetings.

"The pages of the Daily Worker, the National Guardian and other Communist publications are increasingly playing the Party line of attempting to identify the Rosenberg conviction with a plot against Jews. By faking the evidence of anti-Semitism for their own partisan purposes, in a situation where it does not exist, the Communist Party is actually creating anti-Semitism," Judge Steinbrink said.

My dear Judge:

I recently had called to my attention the press release issued by the Anti-Defamation League of B'nai B'rith on March 14, 1952, referring to the dangers of Communist Party propaganda and the undermining of confidence in the judicial processes as reflected by the current efforts on behalf of the Rosenbergs.

I thought that your statement was exceedingly well taken because certainly the issue of law violation, as well as Communist Party activities should never be permitted to be used as ammunition on the part of bigots and those who preach intolerance. I certainly think that your sound observations in the release will go far to keep the record straight.

Sincerely yours,

WASHINGTON D.C. COMMITTEE TO SECURE JUSTICE IN THE ROSENBERG CASE

Dear Friend:

The Washington D.C. Committee to Secure Justice for the Rosenbergs has been formed and is taking action to prevent a grave injustice from being perpetrated.

We are sure that you already have a knowledge of some of the facts of the case, but a more detailed listing of the true facts is given in the enclosed fact sheet. The facts of the case glaringly label the entire case as a legal lynching conducted in an atmosphere of hysteria based on testimony by little rats scurrying to save their own skins.

The belief in the innocence of Ethel and Julius Rosenberg has already been powerfully shown by an overflow crowd of 1200 in the Pythian Hall in New York on March 12. As time passes, more and more people are protesting this miscarriage of "Justice". As shown by the accompanying fact sheet, however, time is an essential factor running out for the Rosenbergs, unless you and many thousands act at once to show your indignation at this mob rule.

Friday, March 28, has been proclaimed Rosenberg Day and you are urged to wire the President requesting him to direct the Justice Department not to interfere with the Rosenberg appeal to the Supreme Court.

If we are to save the lives of the Rosenbergs, we need your backing, both actively and financially. Send contributions to our temporary headquarters, Room 519, 930 F St., N.W., Washington, D.C. Make this your fight while the Rosenbergs are living, not later.

We are enclosing a copy of a long petition, known as an Amicus Brief, to be signed by all those interested in signifying their belief in the innocence of the Rosenbergs. This is customary judicial procedure. Please return these signed immediately to the above address.

JUSTICE IN THE ROSENBERG CASE

Dear [REDACTED]

Your letter dated March 28, 1952, and the enclosures have been received.

I am grateful for your interest in forwarding this material for my attention.

Sincerely yours,

J. E. Hoover

cc: New York (with copy of enclosure)  
cc: Washington Field (with copy of enclosure)

For the information of the offices receiving copies of this communication, the correspondent forwarded material which had been received at the residence address of [REDACTED]

The enclosures consisted of a circular captioned "Washington D.C. Committee To Secure Justice In The Rosenberg Case," a Photostat of which is attached, and a pamphlet entitled "The Rosenberg Case, a fact sheet" published by the National Committee To Secure Justice in the Rosenberg Case, 246 Fifth Avenue, New York 1, New York, which is being retained in Bureau files.

The National Committee To Secure Justice in the Rosenberg Case is the subject of a pending Internal Security - C case, New York origin, (New York file 100-107111) and a copy of the initial investigative report submitted in connection with this matter dated 3-7-52, was designated for WFO.

SYNOPSIS: No chapter of subject organization known to exist at Pittsburgh, Pa., or vicinity. During March, 1952, WILLIAM REUBEN, Provisional Chairman of subject organization, attempted, without success to arrange for speech at IWO Convention then in progress at Pittsburgh.

- RUC -

DETAILS: The 1949 report of the California Committee on Un-American Activities cited the "National Guardian" as a publication launched in New York in 1948 aiming at national circulation which they found to be from its inception notoriously Stalinist in its staff, writers, management and content.

On February 26, 1952, [REDACTED], of known reliability, advised that WILLIAM REUBEN, a member of the staff of the publication, "National Guardian", was then in Cleveland, Ohio, engaged on a tour of various U.S. cities.

"Cleveland, Ohio Feb. 13th, 1952

"I attended a meeting at the U. E. Hall at 1205 Superior Ave. given by the Progressive party.

"BOB DECKER sat at a table by the door handing out peace petitions and books on the ROSENBERG case. Also the National Guardian. At the speakers table were MEL MITCHELL who had charge of the meeting and DON ROTHENBERG, organizer of the Progressive party.

"HUGH DE LACY gave a report on his trip to New York of the national meeting held at DU BOIS home there. No definite candidate as yet. MEL MITCHELL mentioned that cars were driving around the streets there gazing up to see who was at the meeting and he thought perhaps that was the reason for poor attendance. People were afraid of their liberty.

"DON ROTHENBERG made an appeal for money as usual.

[redacted] About 22 people all together. b7D

"WILLIAM REUBEN was the main speaker here from New York to speak on the ROSENBERG case. He mentioned that he only evidence obtained was from the brother in law GREENGLASS. He said that GREENGLASS was able to write a 12 page report on the atomic bomb which the

ROSENBERG were accused of sending to Russia. GREENGLASS only finished high school so how could he have the technical knowledge to make such a report. GREENGLASS had been trying for over a year to get 1,00 dollars from ROSENBERG so that if Russia were paying them large sums of money they could have gotten GREENGLASS off of their neck a long time ago. The table which was supposed to have a secret compartment for films which the F.B.I. took charge of was never brought into court. He said that this was another deal that O. JOHN ROGGE made.

"He mentioned that while the Judge Prosecuting Attorney were Jewish. There were no Jews on the jury and New York is one third Jewish he stated.

"He linked TRUMAN, MC GRATH, HOOVER and TOM CLARK, CAUDLE as a bunch of grafters, racketeers and immoral.

"A collection was taken up.

"There were two very young boys setting in the back of the room. They appeared to be high school youngsters. They got up to leave before the meeting was over and DON ROTHENBERG jumped from the speakers tabel way up in front of the hall and ran to the back. He shook hands with them and walked out of the Hall to the stairway to talk with them. It was necessary for WM REUBEN to send someone out for DON ROTHENBERG as REUBEN didn't know the answers.

"A special Ohio Committee is being formed to aid the ROSENBERGS here in Ohio. [REDACTED] b7d

[REDACTED] Richmond, Virginia, advised this office that he had received mail (a letter of protest against the conviction of ETHEL and JULIUS ROSENBERG) which had mailed out by the "Richmond Committee to Secure Justice in the Rosenberg Case". 870

The name JAMES H. BOOKER, 2209 East Broad Street, appears on the letter as Chairman of the Richmond Committee. It is noted that prior to receipt of this information, BOOKER was not known to the Richmond Office. However, investigation reflects that he is colored, resides at this address, and is employed as a salesman by the Redmond Lumber Corporation, 103 East Byrd Street, Richmond, Virginia.

Enclosed with the letter of protest, was a copy of the pamphlet by REUBEN, referred to above. The letter requested that the individual receiving it "write or wire President TRUMAN and Attorney General J. HOWARD MC GRATH asking for a reversal of the verdict." It was further requested that protest be mailed by March 20 or as soon thereafter as possible.

"Dear Friends:

We appeal to you to help save the lives of two innocent victims of the cold war. Arrested immediately after the outbreak of the war in Korea, tried in an atmosphere of atom-bomb hysteria, Ethel and Julius Rosenberg, young parents of two small children, were convicted and sentenced to die upon testimony that "a link exists between aiding Russia... and being members of the Communist Party." Never before in all the history of American jurisprudence has anyone accused of espionage been sentenced to death by a civilian court.

Tokyo Rose, Anne Sally, over two score Nazi spies were given relatively light prison sentences. The Rosenbergs, on the other hand, convicted on the testimony of witnesses who faced the threat of possible imprisonment unless they agreed to cooperate with the Dept of Justice, were sentenced to death. Their trial and sentence coincides with the objectives of those circles who seek to prohibit under penalty of imprisonment and death, the free expression of those who feel the present foreign policy of our government is dangerous to world peace.

In the famous Sacco-Vanzetti case, the trial judge permitted evidence of false statements made by the accused at the time of their arrest to show a "consciousness of guilt." In the Rosenberg case the trial judge permitted evidence of their political opinions, their alleged activities in behalf of the Joint-Anti-Fascist Refugee Committee, to show "guilty intent." The time-honored legal principle that a person is innocent until proven guilty had now been replaced by the precedent that a person charged with holding "Communist ideas" (and where is the progressive in the United States who has not been so labelled?) is guilty of a criminal intent to commit espionage unless he proves otherwise. Like in the Dreyfus case, where the fact that the defendant was a Jew was skillfully used to obtain a conviction, so in this case subtle anti-Semitism in which a Jewish prosecutor and a Jewish judge permitted themselves to be used, played its part. In a city in which there are over two million Jews, the Government was careful to eliminate every Jewish juror.

As in the recent case of Dr. W.E.B. DUBOIS, the government showed itself sensitive to opinion from abroad. We beg of you, therefore, to bring the weight of opinion in your country behind these two brave people who are innocent of any crime. We urge that you communicate with President Harry S. TRUMAN, Washington DC, urging that he pause to be set aside the conviction and sentence of the Rosenberg case. We urge further that you organize demonstrative actions, such as those in the Martinsville Seven, Willie McGee and Dr. DuBois, cases, so that American officials in your country will have evidence of your opinion.

We enclose a pamphlet and some material which will acquaint you with some of the more detailed facts in this case. We know that in these times you are especially busy, but we beg of you in the name of justice and freedom and righteousness and

An informant made available a copy of the pamphlet, "To Secure Justice in the Rosenberg Case," by WILLIAM A. REUBEN, together with a cover letter which was used to transmit this pamphlet. The letter reads as follows:

**"52ND WARD PROGRESSIVE PARTY

couple, parents of two small boys, as atom bomb master spies, they received this unprecedented death sentence, a shock to the judicious and merciful of every faith.

"Compare the mild treatment given to self-confessed traitors Tokio Rose and Axis Sally, who aided Nazi Germany and Japan during World War II, with the severe sentence given the Rosenbergs, who have protested their innocence at every opportunity. Why this difference in treatment? What is the reason for the extreme penalty?

"Recent studies of the Rosenberg trial and circumstances surrounding it raises the very serious question of their guilt or innocence. The author is the brilliant young reporter, William A. Reuben, whose sensational work on the case of the Trenton Six saved the lives of four of these men after they had been twice condemned to die for a crime they could not have committed.

"Enclosed is a condensation this material unearthed by Reuben, TO SECURE JUSTICE IN THE ROSENBERG CASE. I urge that you carefully and thoughtfully read it. Does the question of the reasonable doubt come to your mind? Is this a modern Dreyfuss Case? Are the Rosenbergs scapegoats? For what?

"The Rosenberg case is now being appealed to the Federal Circuit Court. It may be heard the middle of this month. If there is a doubt concerning their guilt then action is essential.

"On the last page of the pamphlet you will find suggestions for action. Carry them out to the best of your ability. NOW. The following is also urged:

"1. Invite a few friends to your house. We shall be glad to come and discuss the case with them. This will help to bring the facts to light.

"2. Money is important to carry on this job of educating our community. The enclosed pamphlet costs 5¢. We want to send them out in quantity. Send us your contributions. Raise more funds from your friends and neighbors.

"3. Volunteer to join us in the fight to secure justice in the Rosenberg Case by calling or writing us.

Faternally,

A. Egnal, chairman."

ABRAHAM EGAL was described by an informant in 1950 as a member of the Communist Party. (T-2, 2/21/52)

The informant advised that he had received a copy of the pamphlet, "To Secure Justice in the Rosenberg Case," which was enclosed with the following letter:

155 E. Albanus Street  
Phila., 20, Pa.

February 5, 1952

"Dear Friends:

"Due to the fact that we do not have a free press in Philadelphia we must use this method to get the facts about the Rosenberg case to the people.

"Enclosed is a booklet you should read and then pass on to a friend. We do have political prisoners in our great and glorious country which very few people realize.

"I am sure Ethel and Julius Rosenberg are innocent of engaging in any conspiracy but are victims of a conspiracy themselves. Only the truth can secure justice and freedom for them and help bring Democracy back to the people.

Yours for Peace with Democracy,

/S/ Mrs. Edith Geiger"

(T-3, 3/14/52)

In November 1951, EDITH GEIGER was a member of the Committee of Philadelphia Women for Peace. (T-4, 11/1/51).

The Committee of Philadelphia Women for Peace originated directly from the Women's Commission of the Communist Party, Philadelphia.

(T-2, 3/18/50, 5/18/50, 8/27/50). b7d

According to the records of the Philadelphia County Voters' Registration Commission, City Hall Annex, as examined by SA MERRILL F. MCCLOUGHAN,

PH 100-37667

in January 1952, EDITH GEIGER registered to vote on January 4, 1950, as a member of the Progressive Party.

The informant advised that the Progressive Party had scheduled a meeting for March 29, 1952, at 1019 Chelton Avenue, at which meeting WILLIAM REUBEN, author of "To Secure Justice in the Rosenberg Case," would speak on the Rosenberg Case. [REDACTED]

(T-3, 4/4/52)

The Progressive Party has been actively supported by leaders of the Communist Party of Eastern Pennsylvania and Delaware. The leaders have stated [REDACTED] that the Communist Party will continue to support and strengthen the Progressive Party. (T-2, 12/12/50; T-6, 1/30/48)
